LOVE HAS ITS OWN LANGUAGE

Love is the most remarkable form of expression. It is an action that does not have to have words. It is not only a source of giving but it is just as powerful when it is received.

**Often we underestimate its potential and purpose.
Love is a small word but it has big intentions.
Try these in any relationship and you will experience Love without limits.**

1 Corinthians 13: 4-8a (ESV) Love is patient and kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful, it does not rejoice at wrongdoing, but rejoices with the truth. Love bears all things; believes all things, hopes all things; endures all things. Love never ends...
